

Renewing a TotalAssist grant

Renewing a TotalAssist grant

- You can renew a grant beginning **the day after your current grant expires**.
- In the **'Applications'** tab, expired grants will be colored orange at the top and tagged with an **'Expired'** label in the upper right corner.

The screenshot shows the 'Applications' tab in the TotalAssist interface. It displays a list of three grants for Juanita Rivera. The first two are 'Approved' and green, while the third is 'Expired' and orange. A callout box provides details for the expired grant.
