

Renewing a TotalAssist grant

Renewing a TotalAssist grant

- You can renew a TotalAssist grant for your patient beginning **the day after their current grant expires**.
- In the **'Applications'** tab, expired grants will be tagged with an orange **'Expired'** label in the upper righthand corner.

TIP: Use the **'Search and Filter'** options to find grants that have recently expired or will be expiring soon!

Renewing a TotalAssist grant

- To renew a grant, providers and pharmacies will follow the **same process and steps as applying for a new grant**:
 - Navigate to the 'Applications' tab
 - Click '+ Create Application'
 - Search for your patient
 - Follow the prompts to complete their application

TIP: Before beginning your patient's application, remember to confirm that the fund is open at **TotalAssist.org**.
